

Safety Information

IMPORTANT SAFETY INSTRUCTIONS

When using electrical products, basic precautions should always be followed, including the following:

- a. **READ AND FOLLOW ALL SAFETY INSTRUCTIONS.**
- b. Do not use seasonal products outdoors unless marked suitable for indoor and outdoor use. When products are used in outdoor applications, connect the product to a Ground Fault Circuit Interrupting (GFCI) outlet. If one is not provided, contact a qualified electrician for proper installation.
- c. This seasonal product is not intended for permanent installation or use.
- d. Do not mount or place the product near gas or electric heaters, fireplaces, candles, or other similar sources of heat.
- e. Do not secure the wiring of the product with staples or nails, or place on sharp hooks or nails.
- f. Do not let lamps rest on the supply cord or on any wire.
- g. Unplug the product when leaving the house, when retiring for the night, or if left unattended.
- h. This is an electric product and not a toy! To avoid risk of fire, burns, personal injury and electric shock it should not be played with or placed where small children can reach it.
- i. Do not use this product for other than its intended use.
- j. Do not hang ornaments or other objects from cord, wire, or light string.
- k. Do not close doors or windows on the product or extensions cords as this may damage the wire insulation.
- l. Do not cover the product with cloth, paper, or any material that is not a part of the product when in use.
- m. This product is equipped with push-in type lamps. Do not twist lamps.
- n. Read and follow all instructions that are on the product or provide with the product.
- o. **SAVE THESE INSTRUCTIONS.**

USER SERVICING INSTRUCTIONS

LAMP REPLACEMENT

Step 1. Grasp the power adaptor or power cord plug, and then unplug from the power outlet. Do not pull the power cord.

Step 2. Lift up lamp lock tab, then pull the lamp and plastic lamp base straight out of the lamp-holder.

Step 3. Replace with a new spare lamp provided with this product.

(Reference figure only)

Pre-Assembly

Package Contents

Part	Description	Quantity
A	Tree top	1
B	Tree center, tag 2	1
C	Tree bottom, tag 1	1
D	Tree stand	1

Assembly

Assembling the tree stand

- Step 1.** Choose a location near a wall outlet.
- Step 2.** Unfold the legs of the tree stand (D) and lay the stand on the floor.
- Step 3.** Slide the locking disk of the tree stand (D) down until it snaps into place.

Assembling the tree

- Step 1.** Remove the protective caps from the tree bottom (C) and insert the pole into the tree stand (D).
- Step 2.** Remove the protective caps from the tree center (B) and insert the pole into the tree bottom (C).
- Step 3.** Insert the tree top (A) into the tree center (B).
- Step 4.** Shape the branches to your preference by working from the bottom to the top. When adjusting branches, ensure that all wires are free of branch hinges.
- Step 5.** Inplug the adaptor into the wall outlet. All your lights should now be lit.
- Step 6.** Shape the tree from the bottom to the top. Start with the branches farthest from the pole – fan out in a star shape, and continue until the entire tree is shaped.

Top view

Side view

- Step 7.** When finished shaping the branches, slightly up-sweep all branch tips for a uniform look.

***Electrical Rating For The Tree (For Indoor Use Only)**
Input: 120V, 60Hz, 0.16A Max.
Output: 29V 0.28A

Operation

Turning on the tree

NOTE: If some bulbs do not light or flicker, search for any loose plugs and/or broken, loose, or missing bulbs. Replace bulbs promptly with the replacement bulbs provided in order to maintain the performance and life expectancy of your tree.

Step 1. Connect the light strings of the tree together and plug the adaptor into a wall outlet.

Maintenance

Spare parts

This tree package includes bulbs for any replacement or repair that you need to perform on your tree. If extra parts are needed, contact the Customer Service Team at 1-877-527-0313 between the hours of 8 am and 5 pm EST, Monday through Friday.

Care and Cleaning

- Step 1.** Remove all ornaments and decorations.
- Step 2.** Unplug the cord from the wall and then unplug each section of the tree.
- Step 3.** Gently lift the tree top straight up to remove from the body section and fold all branches towards the pole.
- Step 4.** Repeat this step for the body section.
- Step 5.** Carefully place all tree sections into a shipping box and tape it shut.
- Step 6.** Do not store tree in a damp area or in an area where the temperature exceeds 100° F.

CAUTION: Use only power adaptor that was provided with this product. Using a different power adaptor will damage the lights and cause fire, electrical shock hazard.

Troubleshooting

Problem	Solution
The tree does not light	Ensure that all tree sections are plugged into each other and that the tree is plugged into the wall.
	Check for loose, broken, or missing bulbs and replace as needed with the replacement bulbs provided
