## n. SAVE THESE INSTRUCTIONS

### Pre-Assembly

#### Package Contents

Part	Description	Quantity
1	Stand	1
2	Tree Body	1
3	Tree Body	1
4	Tree Top	1

### Assembly

#### Assembling the tree stand

1. Before you start to assemble your tree, choose an appropriate location near a wall outlet.
2. Insert tree body ② into the top hole of the stand. And then insert the tree body ③ into tree body ②. insert the tree top ④ into the top of tree body ③. See Fig.A
3. Connect the plug into the wall outlet. Your entire tree should now be lit. If some bulbs do not light or flickers, search for any bulbs loose, missing or broken bulbs. Replace bulbs promptly in order to maintain the performance of your pre-lit tree.
4. Shape and shift tree branches to fill in any gaps.

Fig. A

Fig. B

## Maintenance

### Spare parts

This tree package includes fuse and bulbs for any replacement or repair that you need to perform on your tree. If extra parts are needed, contact the Customer Service Team at 1-877-527-0313 between the hours of 8 am and 5 pm EST, Monday through Friday.

## Care and Cleaning

1. Remove all ornaments and decorations.
2. Unplug the cord from the wall and then unplug each section of the tree.
3. Gently lift the tree top straight up to remove from the body section and fold all branches towards the pole.
4. Repeat this step for the body section.
5. Carefully place all tree sections into a shipping box and tape it shut.
6. Do not store tree in a damp area or in an area where the temperature exceeds 100° F.
7. Keep out of reach of pets and children.

## Troubleshooting

Problem	Solution
The tree does not light	Ensure that all tree sections are plugged into each other and that the tree is plugged into the wall.
	Check for loose, broken, or missing bulbs and replace as needed with the replacement bulbs provided.
	Check for blown fuses at the light string and power cord plugs. Replace as needed with the replacement fuses provided.
	For blown fuses (if applicable), please refer to User Servicing Instructions – Fuse Replacement and replace as instructed.
