DO NOT RETURN TO STORE. Call: 1-877-527-0313  
 Form 8am to 5pm EST, Monday through Friday.

## Safety Information

# IMPORTANT SAFETY INSTRUCTIONS

When using electrical products, basic precautions should always be followed, including the following:

- a. **READ AND FOLLOW ALL SAFETY INSTRUCTIONS.**
- b. Do not use seasonal products outdoors unless marked suitable for indoor and outdoor use. When products are used in outdoor applications, connect the product to a Ground Fault Circuit Interrupting (GFCI) outlet. If one is not provided, contact a qualified electrician for proper installation.
- c. This seasonal product is not intended for permanent installation or use.
- d. Do not mount or place the product near gas or electric heaters, fireplaces, candles, or other similar sources of heat.
- e. Do not secure the wiring of the product with staples or nails, or place on sharp hooks or nails.
- f. Do not let lamps rest on the supply cord or on any wire.
- g. Unplug the product when leaving the house, when retiring for the night, or if left unattended.
- h. This is an electric product and not a toy! To avoid risk of fire, burns, personal injury and electric shock it should not be played with or placed where small children can reach it.
- i. Do not use this product for other than its intended use.
- j. Do not hang ornaments or other objects from cord, wire, or light string.
- k. Do not close doors or windows on the product or extensions cords as this may damage the wire insulation.
- l. Do not cover the product with cloth, paper, or any material that is not a part of the product when in use.
- m. The lamps of this product are not replaceable. Do not attempt to change or modify the lamps.
- n. Read and follow all instructions that are on the product or provide with the product.

## o. SAVE THESE INSTRUCTIONS

## Pre-Assembly

### Package Contents

Part	Description	Quantity
A	Tree top	1
B	Tree center, sticker 2	1
C	Tree bottom, sticker 1	1
D	Tree stand	1

## Assembly

### Assembling the tree stand

- Step 1.** Choose a location near a wall outlet.
- Step 2.** Unfold the legs of the tree stand (D) and lay the stand on the floor.
- Step 3.** Slide the locking disk of the tree stand (D) down until it snaps into place.

### Assembling the tree

- Step 1.** Remove the protective caps from the tree bottom (C) and insert the pole into the tree stand (D).
- Step 2.** Remove the protective caps from the tree center (B) and insert the pole into the tree bottom (C).
- Step 3.** Insert the tree top (A) into the tree center (B).
- Step 4.** Shape the branches to your preference by working from the bottom to the top. When adjusting branches, ensure that all wires are free of branch hinges.
- Step 5.** Connect the light strings as per the color labels indicated and insert the adapter into the wall outlet. All your lights should now be lit.
- Step 6.** Shape the tree from the bottom to the top. Start with the branches farthest from the pole – fan out in a star shape, and continue until the entire tree is shaped.

- Step 7.** When finished shaping the branches, slightly upsweep all branch tips for a uniform look.

## Operation

### Turning on the tree

**NOTE:** If some bulbs do not light or flicker, search for any loose plugs and/or provided in order to maintain the performance and life expectancy of your tree.

Connect the light strings of the tree together and plug the adapter into a wall outlet.

## Maintenance

### Spare parts

If extra parts are needed, contact the Customer Service Team at 1-877-527-0313 between the hours of 8 am and 5 pm EST, Monday through Friday.

## Care and Cleaning

- Step 1.** Remove all ornaments and decorations.
- Step 2.** Unplug the cord from the wall and then unplug each section of the tree.
- Step 3.** Gently lift the tree top straight up to remove from the center section and fold all branches towards the pole.
- Step 4.** Repeat this step for the bottom tree section.
- Step 5.** Carefully place all tree sections into a shipping box and tape it shut.
- Step 6.** Store your tree in a cool, dry place away from sunlight.

**CAUTION:** Use only power adapter that was provided with this product. Using a different power adapter will damage the lights and cause fire, electrical shock hazard.

## Troubleshooting

Problem	Solution
The tree does not light	Ensure that all tree sections are plugged into each other and that the tree is plugged into the wall.
